
PHOTOGRAPHY WORKSHOPS

ELY

In Ely we run our popular **Get Off Auto** Workshop usually in one of the many coffee shops with a maximum of 4 students. Exact location and timings will be advised in your pre course email that goes out to all students roughly a week before the session.

HOW TO GET THERE

Ely is easy to get to either by train or car and there are numerous free car parks available however these can get busy so give yourself enough time to find a space.

REFRESHMENTS

As we are meeting in a coffee shop, please buy yourself a drink (feel free to add in a snack). The first part of the session is a presentation which takes about an hour so there is plenty time for you to enjoy a cuppa/cake and as we are taking up a table its only fair that we all partake in something from the options available.

WHAT TO BRING ON ALL PHOTOGRAPHY WORKSHOPS:

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery if you have one.
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable footwear is advised for photographing outdoors.
- If you are borrowing a loan camera, please bring a memory stick so that we can transfer your images on to this to take home with you.
