
PHOTOGRAPHY WORKSHOPS

WORKSHOPS AT HAMERTON ZOO

TIMES

All workshops run from 10.30am to 5.00 pm. We will meet you in the car park at Hamerton at 10.15am (there's no access to the zoo until 10.30).

HOW TO GET THERE

Hamerton is most easily found by following the brown signs off J15 of the A1, and travelling through Sawtry.

REFRESHMENTS

Coffee will be available on arrival. For lunch you can either:

- bring a packed lunch
- buy a snack from the coffee shop at Hamerton

CONTACT DETAILS

Jan Slack on 07970 427381

WHAT TO BRING ON WILDLIFE PHOTOGRAPHY WORKSHOPS

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery is recommended.
- Optional equipment - a zoom lens up to either 200mm or 300mm and a hot-shoe mounted flash
- You will need your fully-detailed camera instruction manual (it's worth checking your manual – sometimes the printed one you receive only contains basic facts and there's a fully detailed manual on the CD that came with the camera, in which case bring the CD too).
- If you bring SLR lenses, a hot-shoe mounted flash or other accessories, please bring the instruction manual too.
- Memory card - it is essential that you start the day with an empty, preferably newly formatted, memory card. We will use card readers to transfer your images to our computers, but in the event that we are not able to do this successfully, please bring your camera to computer data cable too.
- For SLR users, please don't set your camera to shoot RAW images, as they will make downloading too slow (if you must, please set jpeg & RAW).
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- Bring a tripod (full height) if you have one (useful on very dull days).
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors, plus a garden kneeler or similar for getting low for some photos.
- If you are borrowing one of our cameras, please bring a memory stick so that we can transfer your images over from our memory cards.
