
PHOTOGRAPHY WORKSHOPS

WORKSHOPS AT NORWICH CATHEDRAL, NORWICH, NORFOLK

TIMES

All workshops run from 10am to 4pm (except Photo Walks which may vary at certain times of the year – please see the Photo Walks page of the Going Digital website for details). Please report to the classroom at 9.45am.

The classroom is situated in the Visitor Center next to the main reception. (A lift is available if required). Please check your email prior to attending in case of any last minute room or time changes. Please use this [link](#) below for a map and directions to the classroom

HOW TO GET THERE

By Bus: Norwich Cathedral is well served by bus links, several of which all stop outside the Cathedral. For details of bus times to the Cathedral please use this [link](#) or to view the Norwich bus route map please use this [link](#) :

By Train. The Cathedral is only a short walk from Norwich train station along the riverside. Turn right, cross the river and walk along the river footpath for five minutes until you arrive at Pull's Ferry which is the beginning of the Cathedral Close. There turn left and you will see the Cathedral spire ahead of you.

By Car. Norwich is easily accessed from most major routes. The Cathedral itself has no visitor parking, but there are several public car parks nearby. Please use this [link](#) for a list and map of public car parks.

REFRESHMENTS

Welcome coffee and tea are provided on arrival. Please bring a packed lunch or funds to purchase something to eat from the surrounding cafes in the City.

WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS & PHOTO WALKS:

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery if you have one. We recommend on the day that you shoot in JPEG to speed up the download process when reviewing pictures.
- Please bring your camera manual if you have a print copy. If you bring DSLR lenses, a hot-shoe mounted flash or other accessories, please bring the instruction manual too.
- Memory card - it is essential that you start the day with an empty, preferably newly formatted, memory card. We will use card readers to transfer your images to our computers, but in the event that we are not able to do this successfully, please bring your camera to computer data cable too
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- Bring a tripod if you have one (essential for Close-up & Macro workshops and Water & Movement workshops)
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors. In addition, it can be quite muddy while out taking photographs, so for the sake of the venue's staff, please bring a change of shoes.
- Garden kneelers or something similar are useful for getting low perspective shots.
- If you bring a selection of additional SLR lenses, hot shoe mount, or other accessories, please can you bring along their instruction manuals too.
