## WORKSHOPS AT YORKSHIRE WILDLIFE PARK

### **TIMES**

All workshops run from 10am to 4pm. Please report to the main conference room at 9.45am. Staff will direct you but don't arrive before 9.45am, as we need time to set up the room for you.

### **HOW TO GET THERE**

#### **Using Sat Nav**

The post code is DN4 6TB.

#### **From M18 Junction 3**

Yorkshire Wildlife Park can now be easily accessed via the new link road. Leave the M18 at Junction 3 and exit onto the new 'Great Yorkshire Way' signposted 'Yorkshire Wildlife Park'. Follow this A-road for approximately 2 miles until you reach a traffic light junction with the A638. Take the left lane signposted 'Armthorpe', join the A638, then after approximately 300 meters turn right onto Warring Tongue Lane. The Park entrance is half a mile along the lane on the right just after the bridge.

#### **From the A1**

Join the M18 at Junction 35 and follow the instructions above

#### **From the M1**

Join the M18 at Junction 32 and follow the instructions above

### **REFRESHMENTS**

Coffee and Tea will be available on arrival and replenished throughout the day. A light lunch of sandwiches, vegetable crudités, dips, crisps, a fruit platter and muffins is provided

### **CONTACT DETAILS**

If you have a problem on the day of the workshop, please telephone your tutor, whose number you'll find on your Confirmation email, or call Pandora Maund on 07802 454637.

# PHOTOGRAPHY WORKSHOPS

## WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS & PHOTO WALKS:

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery is recommended.
- A minimum of a 200mm zoom lens is recommended to get the most from this workshop though is not essential.
- Memory card – it is essential that you start the day with an empty, preferably newly formatted, memory card. We will use card readers to transfer your images to our computers, but in the event that we are not able to do this successfully, please bring your camera to computer data cable too.
- For SLR users, please don't set your camera to shoot RAW images, as they will make downloading too slow.
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- A tripod is not required but if you have a monopod you may wish to bring this along though it is not essential.
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors.
- In addition, it can be quite muddy while out taking photographs, so for the sake of the venue's staff, please bring a pair of trainers or indoor boots or shoes.
- Notes will be e mailed out following the workshop but a pen to make notes on the day is useful.
