

PHOTOGRAPHY WORKSHOPS

WORKSHOPS AT YORKSHIRE WILDLIFE PARK

TIMES

All workshops run from 10.30am to 6pm. Please report to the main conference room at 10.30am. Staff will direct you on arrival but don't arrive before then, as the Park are limiting the number of people entering at any one time and also we need time to set up the room for you.

HOW TO GET THERE

Using Sat Nav

The post code is DN4 6TB.

From M18 Junction 3

Yorkshire Wildlife Park can now be easily accessed via the new link road. Leave the M18 at Junction 3 and exit onto the new 'Great Yorkshire Way' signposted 'Yorkshire Wildlife Park'. Follow this A-road for approximately 2 miles until you reach a traffic light junction with the A638. Take the left lane signposted 'Armthorpe', join the A638, then after approximately 300 meters turn right onto Warring Tongue Lane. The Park entrance is half a mile along the lane on the right just after the bridge.

From the A1

Join the M18 at Junction 35 and follow the instructions above

From the M1

Join the M18 at Junction 32 and follow the instructions above

REFRESHMENTS

Coffee and Tea will be available on arrival and replenished throughout the day. A light lunch of sandwiches, crisps, a fruit platter and muffins is provided individually. Please inform us of any dietary requirements well in advance.

CONTACT DETAILS

If you have a problem on the day of the workshop, please telephone your tutor, whose number you'll find on your Confirmation email, or call Pandora Maund on 07802 454637.

PHOTOGRAPHY WORKSHOPS

WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS & PHOTO WALKS:

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery is recommended.
- A minimum of a 200mm zoom lens is recommended to get the most from this workshop though is not essential.
- Memory card – it is essential that you start the day with an empty, preferably newly formatted, memory card. We will use card readers to transfer your images to our computers, but in the event that we are not able to do this successfully, please bring your camera to computer data cable too.
- For SLR users, please don't set your camera to shoot RAW images, as they will make downloading too slow.
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- A tripod is not required but if you have a monopod you may wish to bring this along though it is not essential.
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors.
- In addition, it can be quite muddy while out taking photographs, so for the sake of the venue's staff, please bring a pair of trainers or indoor boots or shoes.
- Notes will be e mailed out following the workshop but a pen to make notes on the day is useful.

Covid 19 Precautions

If you or anyone in your household / support bubble have had any symptoms within the last 14 days you will not be able to take part in the workshop.

If you live in a area that is currently in lockdown you will not be able to attend as we have a duty of care to other students who may have concerns or vulnerable relatives, so please contact us so we can make other arrangements for you to attend a future date.

Please make sure you adhere to a high level of personal hygiene during your visit. Antibacterial gel is provided so please use this on arrival and before departure and during the session as required.

We will be adhering to 2m social distancing as much as possible during the session, please be mindful of this at all times.

Please bring a face covering or mask with you if we have an indoor session.
