#### **WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS & PHOTO WALKS:**

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery is recommended.
- Memory card – it is essential that you start the day with an empty, preferably newly formatted, memory card.
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- You will not need a tripod but a mono pod is sometimes useful but not essential.
