

PHOTOGRAPHY WORKSHOPS

WOODLAND AND WATER WORKSHOPS

The location is Shipley Glen, near Bradford. The meeting point is outside The Old Glen Tearooms for a short walk to the woodlands. Lens coverage - a standard 18mm-55mm (or similar) lens will work well with a longer lens up to 200mm useful for distances (optional), you will also need a sturdy tripod. Filters will be available on the day for you to use if you wish. Toilets are available during the Teashop opening hours (opening times vary, check their website).

TIMES

Please note the meeting time for this workshop is 9.00 am with a finish of 12.30 pm.

To prepare you for the day we hold a Zoom Presentation a few days before which you can watch and ask questions in the comfort of your own home (usually Wednesday around 6.30 pm and recorded for those who can't make it live).

HOW TO GET THERE

The Old Glen Tearooms, Prod Ln, Baildon, Shipley BD17 5BN

PARKING

Some parking is available outside the tearooms with plenty of roadside parking.

REFRESHMENTS
