

# PHOTOGRAPHY WORKSHOPS

## WORKSHOPS AT CLUMBER PARK

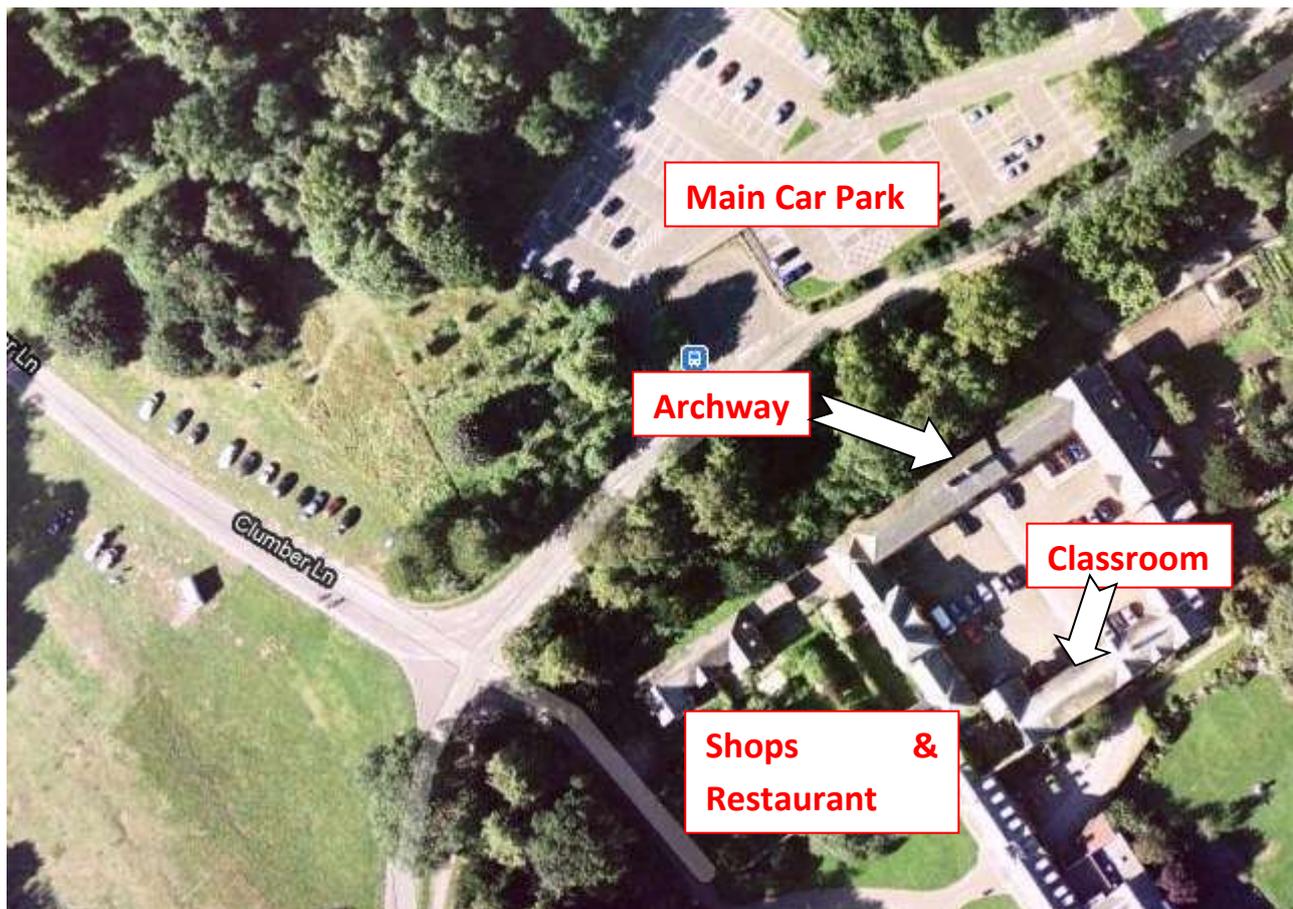

### *TIMES*

All workshops run from 10am to 4pm. Please report to the classroom at 9.45am.

### *HOW TO GET THERE*

Clumber Park is just off the A1 near Worksop. The classroom is close to the main visitor car park, if you look across the road from the car park you should be able to see an archway in the brick building opposite. Please park in the main car park and walk through the archway into a large courtyard. You'll see the classroom door on the opposite side of the courtyard. There will be a Going Digital sign on the door.

**Please note:** If you're a National Trust member you won't have to pay for parking. Non NT members may be asked to pay for parking if there's someone on the gate when you arrive, however the gates are often not manned until 10am, so it pays to arrive early!

# PHOTOGRAPHY WORKSHOPS

## **REFRESHMENTS**

**Photography workshops** - coffee will be available on arrival and mid-morning. For lunch you can either:

- bring a packed lunch
- use the Clumber Park restaurant or snack shop, 2 minutes from the classroom

## **CONTACT DETAILS**

If you have a problem on the day of the workshop, please telephone your tutor, whose number you'll find on your Confirmation email, or call Louise Mills on 07762 336222. As the mobile signal at Clumber is very poor you could also try reception at the Discovery Centre is 01909 511020 or 01909 511078.

## **WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS & PHOTO WALKS**

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery if you have one.
- Please bring your camera manual if you have a print copy. If you bring DSLR lenses, a hot-shoe mounted flash or other accessories, please bring the instruction manual too.
- Memory card - it is essential that you start the day with an empty, preferably newly formatted, memory card. We will use card readers to transfer your images to our computers, but in the event that we are not able to do this successfully, please bring your camera to computer data cable too.
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- Bring a tripod if you have one (essential for Close-up & Macro workshops and Water & Movement workshops - if you don't have one please get in touch as we have loan tripods, free of charge).
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors.
- In addition, it can be quite muddy while out taking photographs, so for the sake of the venue's staff, please bring a change of shoes.

## **WHAT TO BRING ON PHOTO EDITING WORKSHOPS:**

- All you will require is a pen and notebook. Each student will work on a supplied PC laptop and comprehensive notes and worksheets will be provided throughout the day. If you work on an Apple Mac Book at home, and have the Elements software installed, then bring that along if you'd feel happier working on the Mac. I will install the workshop image set on your machine. If you would like a copy of the workshop practice images, bring in a flash drive / memory stick and you can download them for use at home.
