

Dartington Hall joining instructions

From Exeter: From the M5, take the Plymouth (A38) road until the exit signposted to Totnes, Dartmouth and Kingsbridge. Turn left onto the A384 and shortly after the Dartington village sign, turn left at Dartington Church and follow for 1 mile. The main car park is on the left.

From Plymouth take the A38 up to the A385 turning, signposted to Totnes, Dartmouth and Kingsbridge. Then as above.

Our main **car parks** are located at the core estate (near to the Hall and Gardens) and at The Shops at Dartington. Parking is transferable, so you can switch between these locations as long as you've got time left on your ticket.

Our modest parking fees enable us to keep the Gardens free to all, and provide vital funds for on-going maintenance of the estate's roads, footpaths, buildings, grounds and gardens – we appreciate your support in this.

Charges: 50p for one hour, £1 for four hours, £3 for any length stay from 9am to 6pm.

We will be using studio 5, unless your final instructions received immediately prior to the workshop state otherwise.
