
PHOTOGRAPHY WORKSHOPS

THE FOX HIDE, ESSEX

TIMES

Roughly 4pm to 7pm but this will depend on the time of year so exact times will be notified.

HOW TO GET THERE

Meeting point is at postcode SS7 2UN. Detailed directions will be provided.

REFRESHMENTS

None available so you might want to bring a drink and a snack with you

WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS:

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery if you have one.
- A zoom lens in the region of 300mm to 500mm will be needed. If you have a Canon DSLR I can lend you a 300mm lens just let me know that you need it when you book.
- Please bring your camera manual if you have a print copy. If you bring DSLR lenses or other accessories, please bring the instruction manual too.
- Memory card - it is essential that you start the day with an empty, preferably newly formatted, memory card.
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- Comfortable but strong footwear is advised for photographing outdoors.
- You might want to bring a garden kneeler or similar for getting down low for eye level shots of the animals.
- We will be outdoors in small little huts constructed with pallets and tarpaulin so make sure you have sufficient warm and wet weather clothing to keep you warm and dry.
- Insect replant is an absolute must so please ensure you have some to apply.
