# PHOTOGRAPHY WORKSHOPS

## HAMERTON ZOO, HUNTINGDONSHIRE

### TIMES

All workshops run from 10.00am to 4pm. Please report to the classroom at 10.15am.

### HOW TO GET THERE

Hamerton is most easily found by following the brown signs off J15 of the A1 and travelling through Sawtry. Hamertons postcode is **PE28 5RE**.

### REFRESHMENTS

Tea and coffee will be provided on arrival (please bring a reusable travel mug). There is a small café on site, but you can also bring a packed lunch if you prefer.

### CONTACT DETAILS

### WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS:

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery if you have one.
- A zoom lens in the region of 200mm to 400mm may be useful depending on the location of the animals in their enclosures but don't forget to bring you standard wide angle as well.
- Please bring your camera manual if you have a print copy. If you bring DSLR lenses or other accessories, please bring the instruction manual too.
- Memory card - it is essential that you start the day with an empty, preferably newly formatted, memory card. We will use card readers to transfer your images to our computers, but in the event that we are not able to do this successfully, please bring your camera to computer data cable too.
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors.
- You might want to bring a garden kneeler or similar for getting down low for eye level shots of the animals.
- If you are borrowing a loan camera, please bring a memory stick so that we can transfer you images on to this to take home with you.
