
PHOTOGRAPHY WORKSHOPS

WORKSHOPS : STREET & NATURE WALKS, ACTION AND SPORTS

TIMES

All workshops run from 10am to 4pm (except Photo Walks which may vary at certain times of the year – please see the Photo Walks page of the Going Digital website for details). Please report to the meeting location / area for 9.45am.

Please check your email prior to attending in case of any last minute room or time changes.

HOW TO GET THERE

Travel directions shall be placed on the workshop directly for each event.

REFRESHMENTS

Welcome refreshments will not be available on street & nature walks, sports or action events. Please bring a packed lunch or funds to purchase something to eat from the cafes in the area.

CONTACT DETAILS FOR THE VENUE

Your contact for the event shall be your tutor as detailed on the workshop booking.

WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS & PHOTO WALKS:

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery if you have one. We recommend on the day that you shoot in JPEG to speed up the download process when reviewing pictures.
- Please bring your camera manual if you have a print copy. If you bring DSLR lenses, a hot-shoe mounted flash or other accessories, please bring the instruction manual too.
- Memory card - it is essential that you start the day with an empty, preferably newly formatted, memory card. We will use card readers to transfer your images to our computers, but in the event that we are not able to do this successfully, please bring your camera to computer data cable too
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- Bring a tripod if you have one (essential for Close-up & Macro workshops and Water & Movement workshops)
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors. In addition, it can be quite muddy while out taking photographs, so for the sake of the venue's staff, please bring a change of shoes.
- Remember sunscreen and a hat plus lots of drinking water for locations which have limited access to refreshments.
- Garden kneelers or something similar are useful for getting low perspective shots.
- If you bring a selection of additional SLR lenses, hot shoe mount, or other accessories, please can you bring along their instruction manuals too.
