WORKSHOPS : CHELMSFORD CATHEDRAL

New Street, Chelmsford, CM1 1TY

TIMES

All workshops run from 10am to 4pm unless specified differently. Please do not arrive before 9:45 as the building does not open until 10am.

Please check your email prior to attending in case of any last minute room or time changes.

HOW TO GET THERE

By train: The Cathedral is a short walk from Chelmsford railway Station on the mainline London Liverpool Street to Norwich line; turn left out of the station and continue along Duke Street. The Cathedral is on the left hand side.

By bus: The Cathedral is well served by local bus routes which drop off and pick up outside the Cathedral on Duke Street.

Coaches can also pick up and set down on Duke Street.

By car: There is no on-street car parking in the immediate vicinity of the Cathedral. There are however a number of nearby pay as you go public car parks

REFRESHMENTS

Welcome refreshments will be available, and we are located in the centre of the city and a selection of refreshment establishments are available for lunch menus.

WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery or two if you have them. We recommend on the day that you shoot in JPEG to speed up the download process when reviewing pictures.
- Please bring your camera manual if you have a print copy. If you bring DSLR lenses, a hot-shoe mounted flash or other accessories, please bring the instruction manual too.
- Memory card - it is essential that you start the day with an empty, preferably newly formatted, memory card. We will use card readers to transfer your images to our computers, but in the event that we are not able to do this successfully, please bring your camera to computer data cable too
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.

PHOTOGRAPHY WORKSHOPS

- Some workshops it is advisable that you bring a tripod if you have one (essential for Close-up & Macro workshops and Water & Movement workshops), tripods are not used on all workshops.
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors. In addition, it can be quite muddy while out taking photographs, so for the sake of the venue's staff, please bring a change of shoes especially in poor weather.
- Remember sunscreen and a hat plus lots of drinking water for locations which have limited access to refreshments.
- Garden kneelers or something similar are useful for getting low perspective shots.
