based at the.

Best Western ABERAVON BEACH HOTEL in Port Talbot

TIMES

Meet the tutor for a welcome cup of coffee or tea at the Aberavon Beach Hotel between 10.30 and 10.45am at Reception on Day 1.

HOW TO GET THERE

Leave M4 Westbound At junction 38, take the second exit at the round about, then the first exit at the next roundabout. Follow the new road along past the steelworks and continue straight until you pick up the signs to the Aberavon Beach. There are several ways, however if you turn left after passing under the first blue bridge you continue to the end and turn right, this takes you along the seafront. You will pass the hotel on your right as you go along the dual carriageway, at the next roundabout go right around and come back on yourself to find the hotel on your left. There are many speedbumps so please drive slowly as they are fierce!

CONTACT DETAILS

BEST WESTERN

Aberavon Beach Hotel Port Talbot Swansea SA12 6QP Tel: +44 1639 884949

ANY PROBLEMS

Contact Peter by email peter-hitchman@goingdigital.co.uk

or tel: 07768934152

EQUIPMENT LIST

Ø Warm, waterproof clothing for the outdoor sessions.

Ø Sturdy footwear

Ø Umbrella

Ø Some people like to bring garden kneeling mats for getting down low and protecting knees!

Ø Camera + manual (it's worth checking your manual – sometimes the printed one you receive only contains basic facts and there's a fully detailed manual on the CD that came with the camera)

Ø Lenses – bring any lenses that you have also bring any lens hoods that you have, with you

Ø Memory cards (I will use card readers to transfer your images to my computer, but in the event that I am not able to do this successfully, please bring your camera to computer data cable too)

Ø Batteries + charger + Spare batteries

Ø Tripod (I will have 1 tripod available for loan). If you have a monopod rather than a tripod, this could also be very useful.

Ø Camera bag (useful for protecting camera and equipment when outdoors, a transparent plastic bag

and sticky tape make a temporary waterproof cover)

Ø Cable / remote release (if you have one)

Ø Polarising, Neutral density, Neutral density graduated filters are all optional

Ø Thermos flask / Drinks bottle ØØ Rucksack for walks (optional). Notebook, Pens, Pencil
