### SMARTPHONE PHOTOGRAPHY WALKS ONLY

The email reminder that is sent by the Tutor a few days before the walk will also have attached to it 2 PDF documents. One will contain the list of Apps to download and the other has some useful hints and tips on composition. In order to prevent your email service misclassifying this, we strongly recommend you add [richard-berry@goingdigital.co.uk](mailto:richard-berry@goingdigital.co.uk) to your list of safe senders. If, 48 hours prior to the walk you have not received the email, please first check your junk/spam folder before using the details below to contact us.

### REFRESHMENTS

Please bring water or other hydration for your walk and snacks for energy. For our evening walks with a finish time of 9:30pm you may want to consider having an early dinner.

### CONTACT DETAILS

For all enquiries before the morning of your walk please contact Going Digital London on 07526 102 006. If there are any problems on the morning of your walk please contact your Tutor mobile (provided with your reminder email a few days before the walk).

## **WHAT TO BRING ON PHOTOGRAPHY PHOTO WALKS (DSLR, bridge or compact system camera):**

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery if you have one.
- Please bring your camera manual if you have a print copy. If you bring DSLR lenses, a hot-shoe mounted flash or other accessories, please bring the instruction manual too.
- Memory card - it is essential that you start the day with an empty, preferably newly formatted, memory card.
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- Bring a tripod if you have one and are happy to carry it (essential for low light photo walks).

## **WHAT TO BRING ON PHOTOGRAPHY PHOTO WALKS (Smartphone's):**

- An external battery pack and your phone's charging cable. If you don't have an external battery pack you should still bring the cable (and plug) as your Tutor may have a battery pack you can use.
- Attachable lenses if you have them.
- The headphones that came with your phone.
- A tripod but only if one specifically made for mobile photography.

## **APPLICABLE TO ALL WALKS**

- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors.
