WHAT TO BRING ON PHOTOGRAPHY PHOTO WALKS:

- You will need your camera. Ensure it has fresh/fully charged batteries and a **spare battery** if you have one.
- Please bring your camera manual if you have a print copy. If you bring DSLR lenses, a hot-shoe mounted flash or other accessories, please bring the instruction manual too.
- **Memory card** - it is essential that you start the day with an empty, preferably newly formatted, memory card. Bring an additional memory card if you have one as the Otter's are terribly cute!
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- A pen and paper to make notes of any settings, hints and tips that the Tutor gives you

- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors.
