WHAT TO BRING FOR YOUR PHOTOGRAPHY EXPERIENCE

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery is recommended. Ideally, a zoom lens with a minimum focal length of 200mm plus a wider angle lens for close of photos of the birds.
- You may wish to bring the manual if you have one.
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors, plus a garden kneeler or similar for getting low for some photos.
- In addition, it can be quite muddy while out taking photographs, please bring a pair of trainers or indoor boots or shoes to travel home in.
- Bring a sense of humour! Whilst this is a great, brilliant day, we also aim to enjoy ourselves throughout the day and as you will find out, Tori, one of our hosts has a brilliant sense of humour!
