### WHAT TO BRING TO HUMMERBECK KINGFISHER HIDE

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery is recommended
- I would suggest a minimum of 250mm lens to enable you to zoom in. Also a bean bag to rest the camera on whilst taking photos.
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof / windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors, plus a garden kneeler or similar for getting low for some photos. There is a possibility that you may need wellington boots but I will advise you a few days before the course is due to take place.
- In addition, it can be quite muddy while out taking photographs, please bring a pair of trainers or indoor boots or shoes to travel home in.
