WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS & PHOTO WALKS:

You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery is recommended.

If you have a zoom lens, please ensure you bring this with you.

- Ideally, but not essential you will need your fully-detailed camera instruction manual. Most are available online now and can be accessed on the day and so please don't specially print it out for the day.
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors, plus a garden kneeler or similar for getting low for some photos.
- In addition, it can be quite muddy while out taking photographs, please bring a pair of trainers or indoor boots or shoes to travel home in.
- If torrential rain is forecast, this workshop maybe postponed to another date. Your booking will be automatically moved to the new date.
