WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS & PHOTO WALKS

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery is recommended.
- You may wish to bring the manual if you have one.
- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather. •
- **Bring a tripod (full height) if you are attending a Part 2 Workshop.**
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors, plus a garden kneeler or similar for getting low for some photos.
- In addition, it can be quite muddy while out taking photographs, please bring a pair of trainers or indoor boots or shoes to travel home in.
