# PHOTOGRAPHY WORKSHOPS

## WORKSHOPS AT COTEHELE

### TIMES

All workshops run from 10am to 4pm (except Photo Walks which may vary at certain times of the year – please see the Photo Walks page of the Going Digital website for details).

### HOW TO GET THERE

Cotehele is situated 1 mile south west of Calstock and 8 miles south of Tavistock, and is signposted from the A390 Tavistock to Callington road at St. Ann's Chapel, and from the A388 Saltash to Callington road. There is a car park situated within easy walking distance of the Main Entrance.

Please walk to main reception and follow signs to photography workshop. This is held in the study room, which is located above the National trust second hand bookshop.

### Contact Details

**Your tutor at Cotehele is Sid Smallman ARPS Cert Ed**

**Phone 07533 059803**

**Going digital Devon & Cornwall region 07546 231044**

**PLEASE NOTE: UNFORTUNATELY, DUE TO STEPS UP TO THE EDUCATION ROOM, THERE IS NO DISABLED ACCESS AT THIS VENUE.**

### REFRESHMENTS

*Photography workshops:*

- Coffee will be available on arrival and mid-morning. For lunch you can either:
- bring a packed lunch (which can be eaten in the Education Room or outdoors).
- use the Cotehele restaurant, 2 minutes from the Education Room

*Photo Walks:* · Please bring a packed lunch.

### WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS & PHOTO WALKS:

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery is recommended.
- You will need your fully-detailed camera instruction manual (it's worth checking your manual – sometimes the printed one you receive only contains basic facts and there's a fully detailed manual on the CD that came with the camera. If you bring SLR lenses, a hot-shoe mounted flash or other accessories, please bring the instruction manual too.

- Memory card - it is essential that you start the day with an empty, preferably newly formatted, memory card.

We will use card readers to transfer your images to our computers, but in the event that we are not able to do this successfully, please bring your camera to computer data cable too.

- For SLR users please don't set your camera to shoot RAW images, as they will make downloading too slow.

going digital

- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and some sticky tape make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- Bring a tripod (full height) if you have one (essential for landscape, Low-Light & Fill-In Flash and Water & Movement workshops).
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors, plus a garden kneeler or similar for getting low for some photos.
