

PHOTOGRAPHY WORKSHOPS

WORKSHOPS AT NT BODIAM CASTLE

TIMES

All workshops run from 10.30 am to 4pm. Please report to the classroom at 10.15am. The car park gates only open at 10am so please arrive at 10 am or just after.

HOW TO GET THERE

Bodiam Castle, Bodiam, near Robertsbridge, East Sussex, **TN32 5UA**.

Signposted from main roads A21, A268, 3 miles south of Hawkhurst, 2 miles east of Hurst Green. Going Digital photography courses are held in the Education Room in the NT building right beside the Castle. On arrival please either validate your parking in the machine using your NT card, or go into the NT caravan office by the tea-room and explain you are on the photography course and ask them for a free parking ticket. Then please make your way up to the Education room in the building beside the Castle.

REFRESHMENTS

Coffee will be available on arrival. For lunch you can either:

- bring a packed lunch
- eat in the NT Wharf tea-rooms where lovely homemade cakes, sandwiches, and hot lunches are available.

CONTACT DETAILS

For all enquiries before the morning of your course, please contact the Going Digital London and the South East Office on 01323 478693. If there are any problems on the morning of your course, please contact your Tutor's mobile (provided with your reminder a few days before the course).

WHAT TO BRING ON PHOTOGRAPHY WORKSHOPS & PHOTO WALKS:

- You will need your camera. Ensure it has fresh/fully charged batteries and a spare battery is recommended.
- It is useful to bring your camera instruction manual if you have one. If you bring SLR lenses, a hot-shoe mounted flash or other accessories, please bring the instruction manual too.
- Memory card - it is essential that you start the day with an empty, preferably newly formatted, memory card. We will use card readers to transfer your images to our computers, but in the event that we are not able to do this successfully, please bring your camera to computer data cable too.
- A full set of PDF course notes will be emailed to you after the course so you may like to bring a pen and paper to make a note or two of your own.

- A camera bag is useful for protecting your camera and equipment when outdoors, and a transparent plastic bag and rubber band make a good, temporary waterproof cover for your camera and an umbrella will protect your equipment and you in wet weather.
- A tripod (full height) if you have one is essential for landscape, Low-Light & Fill-In Flash and Water & Movement workshops). You do not need a tripod for Explore 1.
- Dress in warm, comfortable clothing for outdoor sessions. A waterproof/ windproof top will be useful. Comfortable but strong footwear is advised for photographing outdoors, plus a garden kneeler or similar for getting low for some photos. If it is very muddy bring boots.
